

ACKNOWLEDGMENT

From 2006 to 2009, the following institutions (represented by the persons in parentheses) actively contributed to the project "Conservation and use of the wild populations of *Coffea arabica* in the montane rainforests of Ethiopia" and played a role in the project's success:

- Environment and Coffee Forest Forum (ECFF), Addis Ababa (Tadesse Woldemariam Gole, Feyera Senbeta Wakjira, Kassahun Tesfaye Geletu)
- Institute of Biodiversity Conservation (IBC), Addis Ababa (Girma Balcha)
- Ethiopian Institute for Agricultural Research (EIAR), Addis Ababa (Solomon Assefa)
- Addis Ababa University – National Herbarium (Ensermu Kelbessa), Department of Biology (Endashaw Bekele, Masresha Fetene)
- Ethiopian Economic Association (EEA), Addis Ababa (Assefa Admassie)
- University of Bonn – Center for Development Research (ZEF) (Till Stellmacher, Franz Gatzweiler, Manfred Denich), Institute of Crop Science and Resource Conservation (INRES) (Jürgen Burkhardt, Holger Hindorf), Nees Institute for the Biodiversity of Plants (Thomas Borsch)
- Federal Agency for Nature Conservation (BfN), Bonn (Bettina Hedden-Dunkhorst)
- Consulting Science for Sustainable Development, Wuppertal (Peter Moll, Ute Zander)
- Evolve - Consulting for Sustainable Development, Kirchzarten (Jörg Volkmann)
- University of Hannover – Institute for Environmental Economics and World Trade (Ulrike Grote)
- Freie Universität Berlin – Botanic Garden and Botanical Museum (Thomas Borsch)
- Wageningen University – Dept. Environmental Sciences (Lars Hein)

The Center for Development Research (ZEF) would like to thank all of them.

Manfred Denich

Franz Gatzweiler

INHALTSÜBERSICHT

Einleitung	3
Teil I - Deutsche Zusammenfassung	4
I.1 Biosphärenreservat	5
I.2 Nutzungsrichtlinien	6
I.3 Kaffeewaldinformationssystem – COFIS	7
I.4 In-Situ Genbanken	9
I.5 Anreizmechanismen	10
I.6 Zertifizierung von Waldkaffee	12
I.7 Umweltbildung	13
I.8 Etablierung von ECFF	14
Teil II - Contributions to the implementation targets	17
• Introduction	17
• II.1 Biosphere reserve	24
• II.2 Coffee forest guidelines	32
• II.3 Coffee forest information system (CoFIS)	39
• II.4 In-situ gene banks	51
• II.5 Incentives	61
• II.6 Certification	70
• II.7 Education and training	86
• II.8 ECFF establishment	91
Teil III - Scientific output	97
Teil IV - Implementation-oriented activities	105
Annex	109
